About this Agapi 950 Cabin RIB
This Agapi 950 cabin RIB is new onto the market and has a single Yamaha 425hp outboard engine. It is highly specified with: - Bow-thruster, Diesel heating, solar panel, Chart-plotter, depth transducer, fridge, gas hob, electric toilet with holding tank, bluetooth stereo with 4 speakers. Hob, fridge and transom shower. An early viewing is highly recommended.

AGAPI 950 Cabin RIB
An intelligent and modern Swedish design - we have created a unique boat with extraordinary seaworthiness, large social areas and all the comfort needed for your boating outings. Agapi 950 is built with lightweight materials and carbon fibre which results in a very lightweight boat with a strong structure. RIB technology makes the Agapi 950 safe, fun to drive and easy to handle. With its 32 feet, the boat is perfect for the open sea and its unique sea performance remains untouched even fully loaded.
