This 1979 Channel Island 32, designed by Alan Buchanan and built by Silva Yates in Jersey, is a distinguished semi-displacement motor cruiser measuring 9.91 metres in length and featuring a beam of 3.22 metres.

Shamrock of Gorey is a glass fibre construction, semi displacement hull, bilge chined motor yacht. She has a raked bow entry and a transom stern, carrying her maximum beam aft of amidships. She was built by Silva Yates Ltd in Jersey and is a very seaworthy vessel. The vessel is being sold due to a death in the family.

Suited for coastal exploration, this meticulously maintained motor cruiser embodies quality craftsmanship and offers a reliable and enjoyable boating experience.

and offers a reliable and enjoyable boating experience.
