AGAPI 950 Cabin RIB

An intelligent and modern Swedish design - we have created a unique boat with extraordinary seaworthiness, large social areas and all the comfort needed for your boating outings. Agapi 950 is built with lightweight materials and carbon fibre which results in a very lightweight boat with a strong structure. RIB technology makes the Agapi 950 safe, fun to drive and easy to handle. With its 32 feet, the boat is perfect for the open sea and its unique sea performance remains untouched even fully loaded.
