Beam	2.72m	Displacement	2,800kg
Location	Hayling Island United Kingdom	Year	2021
Length Overall	10.00m	Draft	1.40m
Hull	GRP		
Engine	Yanmar 2YM15		

Built by Saffier Yachts in the Netherlands and delivered in July 2021 to its first owner. The Saffier brand has quickly become highly regarded in the luxury boat market with this fantastic opportunity to purchase an elegant and stylish day boat, presented in superb condition. She is the ideal day cruiser for your guests with comfortable cockpit styling, ample below deck accommodation and the ability of fast cruising if you wish. SLATE as she is now called, is fitted out with a very generous specification and inventory with such extras as electric winches, carbon wheels, carbon mast, bow sprit and spinnaker pole, hidden furling drum, Raymarine electronics and autopilot. Beat the long delivery times for and get on the water now and enjoy the rest of 2026 in one of the fastest day sailors on the market.

SAFFIER Se 33 UD built in 2021 with only two owners from new
